"So much smarter."

"Four reasons why I love my new Dizolve laundry detergent strips: no measuring, safe and hypoallergenic, effective and frugal, and eco-friendly. I honestly don't know why every company doesn't do it this way."

Beth Ricci, Keeper of the Home

"A stellar product."

"I'm a huge fan of Dizolve. It's safe, convenient, performs well, and leaves a significantly reduced ecological footprint. I can see it becoming the new gold standard for laundry."

Kristy C, From Manager to Mom

"Impressive!"

"It turns out a strip of detergent can and does get your laundry clean, leaves no residue, and results in no waste."

Tenille Lafontaine, Feisty, Frugal and Fabulous
